While it's true that Mississippi State is composed of classrooms, offices and residence halls, there's a lot more to our campus. MSU boasts over 200 student organizations which provide ample ways for students to get involved, meet other people, and make the most of their college experience. The best way to view these student organizations is by visiting the Difference of One website at www.one.msstate.edu. This website allows you to search organizations by the things you are interested in and automatically connect to students in each of those organizations. You can also meet with the staff of the Center for Student Activities who can directly connect you to groups and students who you have shown an interest in. Stop by and visit the office in Suite 314 of the Colvard Student Union or give them a call at 662-325-2930 to see what is available to make your time at MSU worthwhile.

All student organizations are housed within the Center for Student Activities, along with administrators for Music Maker Productions, the Lyceum Series, the Student Association, Programming Board, *The Reveille*, and the Colvard Student Union Art Gallery.
