

School of Health Professions

Dean: Dr. Lesley Clack

Located on the MSU-Meridian Riley Campus, the School of Health Professions is home to the Master of Physician Assistant Studies and Healthcare Administration programs.

The Healthcare Administration program is meticulously crafted to cater to the growing demand for highly specialized and proficient healthcare managers and clinical leaders nationwide. Our curriculum is designed to equip students with the essential skills and knowledge necessary to navigate the intricate landscape of finance, law, and regulations. Through our program, students will acquire a deep understanding of management principles, including organizational dynamics, strategic planning, marketing, human resources, problem-solving, decision-making, and leadership, all within the context of healthcare administration.
